

The Pedal & Park program is a provisional bicycle parking system, provided by Bicycle Indiana, throughout Indianapolis and the surrounding counties. Since its humble beginnings in 2000, we've parked over 50,000 bicycles.

The program is designed to provide free "valet" bicycle parking services at sporting events, festivals, home tours, and more. Pedal & Park is available for events that would like to provide a secure parking option for people who prefer to arrive to your event by bicycle.

Why would an event want to use Pedal & Park?

- Reduce parking demand/parking congestion
- Bike parking allows riders to pedal to main entry (or close by)
- Reduce carbon footprint
- Reduce traffic congestions/lines to park at event
- More and more people are using bicycles for transportation and free, secure bike parking is a win for the bicyclist and a win for your event!

What Pedal & Park provides

What events provide

 - Bike Parking Capacity 101-200 bikes - \$100 first event day/\$20 add'l per day
 - Bike Parking Capacity 201-500 bikes - \$150 first event day / \$30 add'l per day
 - Bike Parking Capacity - 501 and up - \$275 first event day / \$55 add'l per day

We hope this minimal fee would not create a financial burden on any event; if you feel it would, please contact us at 317-466-9701 to discuss your concern.

If you have questions about how many parked bikes to anticipate for your event, our coordinators are happy to help, offer suggestions, etc.
